# Illustrated Souvenir of PEORIA

LOCATED ON THE ILLINOIS RIVER

EORIA is noted for her importance as a manufacturing and commercial center. It is a city of well-paved streets, beautiful homes, good schools, fine churches and hospitable people. Wonderful natural resources. The most extensive coal mining center in the United States west of Pittsburg. The largest consumer of corn in the world. Greatest distilling district in the world. A prosperous, modern thriving city of 80,000 population, destined to surely become a city of 125,000 inhabitants within the next ten years of the Twentieth Century.
